

## **eMuseum of Sport eBook 2021**

The eMuseum of Sport eBook is a publication that presents the eMuseum's travelling truck and lists the exhibits and galleries launched in 2021 with their respective highlights and a summary of their narratives, created by each collector. It also includes the educational booklets that were launched. In the first chapter, Lamartine DaCosta and Bianca Gama Pena present the outlooks on eMuseum experiences and future progress.

### **It contains the following summary:**
